Volume 45, Number 21 February 5 to 18, 2008 $3.25

After years of being passed down through generations of the same family, this rare 1861 Confederate States of America $10 note, Pick-26, is expected to sell for $3,000.

Auction to offer distinct lots

BY BRET EVANS

Jeffrey Hoare Auctions' CAND sale has a typically diverse offering, with a spectacular collection of world historical medals.

Wendy Hoare said most of the medals offered are from an older collection that is being sold. While many countries are represented, the collectors specialized in British and Canadian issues.

There is also a selection of issues by Napoleon, including lot 352, a 1797 issue with a bust of Napoleon on the obverse and an image of him on horseback, accompanied by victory and personifications of art and science.

The inscription in French portrays him as a protector of sciences and arts. It is a restrike, with a cornucopia mint mark on the edge, estimated at $100.

The sale opens with lot 1, a denarius of Mark Antony from 31 BC. Described as VF, it is estimated at $600.

The British section includes both hammered and milled coins. Pride of place goes to lot 17, an AU 1847 gothic crown of Queen Victoria with UNDECIMO on the edge, lightly cleaned with a slight reverse bump. The pre-sale estimate is $2,500.

Among the Canadian decimal section is lot 177, a 1947 pointed 7 silver $1 with dot and double HP, graded ICCS MS-60. It is expected to bring $550.

The paper money section includes lot 499, a $5 error note, serial number SU 6164866, Lawson-Bouey signatures.

According to the catalogue, the note is incomplete, with about 65 per cent of the second pass through the press missing. It is estimated at $300.

One interesting selection is a group of 10 lots of Confederate States of America notes.

The notes represent payment of David Augustus Mansur for services as a teacher. Mansur relocated to Canada and the notes have been handed down through the family.

The notes were most likely kept because they had no financial value, however, their appeal to collectors in more substantial.

Lot 527, a $10 note dated 1861, Pick-22, Good+ with ragged edges and two small tears, is expected to bring in $250.

The sale is particularly strong in Militaria, with Canadian historical connections.

RCM makes me wonder about their quality control. I purchased several rolls of the 2006 nickel (no mint mark) and could not believe their quality.

A large group had various die cracks as well as what seemed like solder spots on the coins. A number of coins that have, what I call "jewels" in the Queen's hair on the obverse and die cracks (cuds) in the first "0" as well as the "6" on the reverse.

It makes me wonder if the layering process that is applied, is a factor in manufacturing of these coins. I also have purchased a few rolls of the 2007 President coins seeing very similar results.

I have attached pictures of what I have found along with one that shows

Some collectors would be happy to find such a roll.

There's always a danger in examining photographs, and your coins would need to be physically examined by an expert to get a definitive answer.

River. They are outstanding! Some even come in very attractive albums.

You can query Google for Hutt River, or go straight to, http://www.imperial-collection.net/hutt_river_coins-03.html , for a complete listing of all their coinage.

Similarly, in 1992, they issued a 46 piece set of the many events of the Second World War, also a wonderful set.

I live in Guelph but have not been to the Elora store "The Antiques Market," at least not yet.

EBay has regular auctions of the Hutt River coinage. There is quite a lot of demand for them, so do not go by the 2005 prices listed in the Krause catalogue, they are out of date.

collectors I know.

I can't help but wonder if this is simply a revenue generator rather than a coinage issue. If so, the RCM is helping destroy a centuries old tradition of coin collection and appreciation, in less than a generation. A sad day indeed.

Love your publication.

Without taking the RCM's side, they believe that these gift coins will have a long term positive effect on the hobby by introducing coin collecting to people who would never go to a coin show. Who's right? Only time will tell.

Lot 2003 is a rare Military Medal awarded to Sapper James Davidson for action at the Battle of Vimy Ridge. It is estimated at $1,400.

Lot 2005 is a Military General Service Medal awarded to John Kearnes with clasps for Salamanca, Vittoria, Pyrenees, Nivelle and Orthes.

Kearnes joined the 68 Regiment of Foot, Ireland, as a private.

Wounded several times, he was eventually promoted to Lieutenant in 1818. The same year his regiment was posted to Quebec.

Kearnes served in both Lower and Upper Canada, and in 1819 he was placed on half pay. He decided to settle in Prescott County, where he became a Captain in the Prescott Militia. In 1847, he became Lt. Col. of the Second Battallion.

From 1836 to 1840 he was a member of the Parliament of Upper Canada, representing the riding of Prescott.

A scarce 1948 Canadian silver $1, ICCS AU-55, is expected to bring in $1,300.

With a research folder and a regimental button, the medal is estimated at $4,500.

An interesting relic of the Cold War is lot 2651, a Soviet military mission license plate identification card.

The pocket card was issued to NATO troops to identify soviet vehicles in the NATO sector. It depicts the design of Soviet plates, and contains instruction on what action to take if one of these vehicles is sighted.

Accompanied by several pamphlets and booklets, it is estimated at $50.

The sale is being held January 26 and 27 in conjunction with the CAND show, Plaza Hotel, 150 King St. East, Hamilton. For more information, contact Jeffrey Hoare Auctions Inc., 319 Springbank Dr., London, ON N6J 1G6, (519) 473-7491, jhoare@jefferyhoare.on.ca.

A medal supporting Britain war with America in 1781 shows King George III on the obverse with a tied lion attempting to break its bonds on the reverse. It is estimated at $700.

Estimates surpassed as bidding wars abound

Auction NEWS

BRET EVANS

Jeffrey Hoare Auctions' 2008 CAND sale, held Jan. 26 and 27 in Hamilton, Ontario, turned out to be a roaring success, with many lots selling for more than double the pre-sale estimates.

"The sale went very well," Wendy Hoare said. "The auction was well attended as, I believe, the show was."

Hoare said that floor bidding was aggressive, in several cases leading to bidding wars.

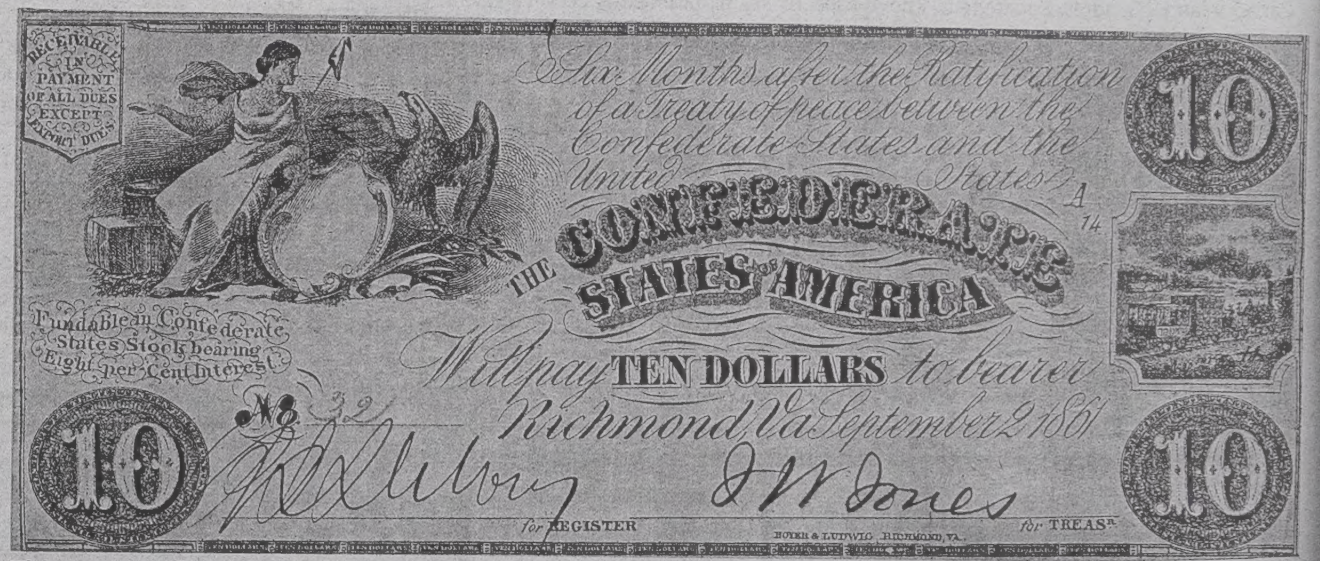
The biggest story of the sale was a rare 1861 Confederate States of America $10, Pick-26, which was estimated at $3,000, but actually sold for $17,500. It was one of 10 lots paid to David Augustus Mansure, a teacher who subsequently relocated to Canada.

The notes had been passed down through the family for nearly 150 years before being consigned to the sale.

The sale also included an extensive offering of world historical medals, and older collection being offered up for sale.

Medals did well, with many doubling or even tripling the pre-sale estimates.

Lot 316, a Marquis of Lorne Governor General medal, engraved and awarded, was expected to sell for $120, but crashed through that to reach $380. Lot 320, a Governor General medal of Lord Alexander, was estimated at $100 and sold for $340.



This rare Confederate note, passed down through the same family since it's use, sold for $17,500, nearly six times the pre-sale estimate.

Lot 390, A British medal with King George III on one side and a lion breaking free from bonds on the reverse was issued in 1781 supporting Britain's war with the United States. Estimated at $700, it sold for $1,000.

Lot 181, a scarce 1948 silver dollar, ICCS AU-55 sold for $1,350.

Canadian decimal coins weren't neglected.

Lot 155, a 1947ML 50-cents, curved right 7, PCGS VF-30, was estimated at $2,000 but actually sold for $2,350. Lot 181, a 1948 silver $1, ICCS AU-55, sold for $1,350, just over the estimate of $1,300.

One of the surprises was lot 310, the original 1897 minute book of Pritchard and Andrews, an Ottawa token manufacturing company. Expected to bring $240, it was sold for $1,050.

Paper money has been a strong market performer for several years, and that trend continued with this sale.

Lot 453, a Dominion of Canada $2, 1923, Campbell/Clark signatures, Charlton DC-26L, about EF and well-centred, was estimated at $450, but pushed through that to $620.

Lot 476, a replacement note of the 1954 modified series, Bouey/Rasminsky signatures, Charlton BC-37cA, described as EF+ with two wider margins and a hard counting fold, was estimated at $300, but drew more than double, being hammered down for $620.

Among the error notes, lot 499, a $5 of the 1972 series, Lawson/Bouey signatures, incomplete with about 65 per cent of the second pass through the press missing, sold for $725, well above the $300 pre-sale estimate.

Lot 503, a 1973 series $1 note with mismatched serial numbers sailed past the $500 estimate to reach $675.

The second session was devoted to Militaria, a traditional strength of Hoare sales.

Lot 2005 was a Military General Service Medal awarded to John Kearnes with clasps for Salamanca, Vittoria, Pyrenees, Nivelle, and Orthes.

Kearnes joined the 68 Regiment of Foot in Ireland, as a private. Wounded several times, he was eventually promoted to Lieutenant in 1818, the same year his regiment was posted to Quebec.

In 1819, Kearnes was placed on half pay. He decided to settle in Upper Canada, where he became a Captain in the Prescott Militia Regiment.

In 1847, he was promoted to Lt.Col. and placed in command of the Second Battalion. From 1836 to 1840 he was a member of the Parliament of Upper Canada. The medal is accompanied by a folder of research and a regimental button. The lot was estimated at $4,500, but eventually sold for $6,700.

The sale featured a Canadian Distinguished Service Medal group, awarded to Robert White, of the Royal Canadian Navy. White's career spanned both World Wars and even received the Belgian Croix de Guerre, with palm. The group was estimated at $5,000, but bidding didn't stop until it reached $6,000.

Conditions of Business

The conditions of business, along with all other terms, conditions and notices set out in this auction catalogue, or announced by the auctioneer, form the terms on which Jeffrey Hoare Auctions, Inc. (JHA) contracts, as auctioneer, with actual and prospective sellers and buyers. These Conditions of Business apply to all aspects of the relationship of purchase and sale of property by auction. It is therefore very important that you read these conditions carefully. By bidding or selling in this sale you agree to accept these conditions, and that these conditions shall govern all future dealings that may occur between you and JHA.

You should note that JHA generally acts as an agent for the seller. Any concluded contract of sale is made directly between the seller and the buyer. You acknowledge that JHA is dependent on the seller for much of the relevant factual material pertaining to the items offered for sale. JHA can not and does not undertake full due diligence on every item sold. Buyers therefore have the responsibility to carry out their own inspection and investigations to satisfy themselves as the nature of the items, which they are interested in buying. We specifically draw your attention to Conditions 23 through 28, which limit the extent to which the seller and JHA may be liable. We also draw to the attention of all sellers, their individual consignment receipt, incorporated herein, which sets out the relationship between the "seller" and JHA.

For the purposes of these conditions Jeffrey Hoare Auctions, Inc. is referred to as "JHA", "auctioneer", "us" or "we" and actual prospective buyers and sellers are, as applicable, referred to as "you" and "your", or "buyer" and "seller".

Definitions of Terms:

The following terms, placed in quotation marks, shall have the meaning set out below:

(a) "buyer" means the person who makes the highest acceptable bid or that person's pre-authorized representative;
(b) "buyer's premium" means the commission on the "hammer price" payable to JHA at the rates listed in the auction catalogue, together with an amount in lieu of any taxes applicable to said commission;
(c) "hammer price" means the price at which an item is knocked down by the auctioneer to the "buyer" or, in the case of postal auctions, the agreed price; in both cases excluding the "buyer's premium";
(d) "seller" means the person or persons that have ownership of the merchandise offered. In the case of multiple ownership, each of the owners shall assume, jointly and severally, all obligations, liabilities, and representations, warranties, and indemnities as set forth in these Conditions of Business;
(e) "seller's commission" means the amount payable to JHA by the seller at the rates applicable at the date of the sale of the property or the date of loss or damage to the property, if applicable;
(f) "net sale proceeds" means the "hammer price" of the lot sold, less the "seller's commission" and "expenses";
(g) "expenses" as related to the sale of items at auction means, but not limited to, JHA's charges for insurance, collection, advertising, catalogue reproduction and photography, packing and shipping costs, research, taxes and or duties or charges for other services requested by the "seller" in conjunction with the sale.

General Conditions:

1. For Canadian residents a 12.5% buyers commission, plus 5% GST or 13% HST, where applicable, will be added to the hammer price of each lot purchased. Residents of Ontario will be subject to an additional 8% provincial tax. For international buyers only an 12.5% buyer's commission will be added to the hammer price of each lot purchased. These amounts are payable by the buyer as part of the total purchase price. Lots are not shipped until full payment is received.

2. We reserve the right to withdraw or combine any lot at our discretion.

3. In conformity with Canadian Law, no coin or currency lots will be opened at less than the face value.

4. JHA reserves the right to reject any bids not made in good faith and further reserves the right to exclude any bidder from participating in its sales for any reason deemed appropriate and at our sole discretion.

5. All bidders in any JHA auction expressly waive any claim or right to an accounting, damages or compensation arising out of JHA's failure to receive or execute any bid due to exclusion, clerical error or other causes. No bids will be accepted from any person who has not signed a registration form or bidder sheet.

6. No minors may participate in our sales.

7. If you make a bid at auction you do so as principal and will be held personally and solely liable for that bid unless we have previously agreed with you in writing that you do so on behalf of an identified third party who is acceptable to us. In circumstances where we have so agreed, both you and the third party will be jointly and severally liable for all obligations arising from the bid and the third party shall be bound by the Conditions of Business by your bidding as their agent in the same way as if they were bidding personally. Agents should note that JHA's stated warranties apply only to the registered bidder to whom the lot is sold, and can not be extended to any undisclosed thirdparty. All agents are therefore advised to register their agency and principal with JHA prior to the sale. No exceptions will be granted.

8. Title to all lots remains with JHA until payment in full is received.

9. Sales tax will be collected under the law of the Province of Ontario unless a valid vendor's permit number is presented, or lots are shipped out of Province.

10. Due to Canadian Heritage laws, some of the items in our auctions may require Export Licenses if the successful purchaser requires the lot to be taken or shipped out of Canada. JHA will assist the buyer in obtaining such licenses and complying with applicable Canadian Heritage laws.

11. By placing a bid in this sale, you agree that this agreement is made in Ontario by the Auction House's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Ontario law. In the event of a dispute or non-payment, JHA may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in the Courts of Ontario. If an account is referred to an attorney for collection, the buyer agrees to hold JHA harmless and indemnify for all costs of collection, including actual reasonable attorney's fees, with interest at 1.5% per month (18% p.a.) accruing on the entire amount paid. The bidder also assumes both corporate and personal liability for unpaid auction bills.

12. Successful bidders are required to pay the full invoice amount due before the lots are delivered. Previous established lines of credit, at the sole discretion of the auctioneer, may not be honored unless arrangements for this sale have been specifically agreed to, in writing, by the auctioneer. Please contact us in advance if you have any questions regarding your purchasing plans. First rate credit references or a 25% deposit are necessary to ensure entry of your bids. Any portion of such deposit not used will be promptly refunded after each sale.

13. Lot descriptions contained within the catalogue are statements of opinion only. All goods are offered with all faults and imperfections and errors of description. Illustrations in the catalogue are for identification only, and may be reduced or enlarged in size. To assist you, we may refer in a catalogue to particular faults or imperfections, but any such guidance, which we provide, does not purport to be exhaustive. You will be deemed to have knowledge of all matters which you could be reasonably expected to find out given your particular expertise and the exercise by you of reasonable due diligence. The failure of any third party to concur with any statement of opinion shall not be grounds for the return of any lot under Conditions 24-26.

14. Bids for the auction will be accepted by Mail, or fax until the closing date and time specified. All telephone bids must be confirmed in writing on a bid sheet.

15. No "buy" or "unlimited" bids will be accepted. Mail bids will be opened at the next interval over the second highest bid, except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. Floor bidding intervals will have an average increment of about 5% at the discretion of the auctioneer.

16. All bids must be in whole dollar amounts, this includes percentage increases. Lots will open at the next interval over the second highest bidder, or 50% of the estimate whether reserved or not. Bids of less than 50% of estimate will not generally be accepted except at the sole discretion of the auctioneer.

17. In the case of a tie mail bid, the first received will be given preference. In the case of a tie between a mail bidder and the floor, the mail bidder takes precedence. Fax bidders will be considered as mail bidders for the purposes of this clause.

18. Bidders are solely responsible for checking the accuracy of their bid sheets. JHA assumes no responsibility for errors in the amount bid or lot numbers listed on the bid sheet. Please be sure that your bid sheet is signed.

19. Postage, insurance, shipping and handling fees are added to ALLSHIPMENTS, the minimum being $10.00. Bidders outside of Canada must supply detailed shipping instructions and agree to all terms as listed herein before shipment is made.

20. JHA may reopen the bidding on a lot under the following circumstances:
    (a) JHA has failed to correctly execute a mail bid;
    (b) A party purchasing the lot on the floor has done so in error;
    (c) Where a protest is made after the hammer has fallen but before bidding has commenced on the next lot;
    (d) Where the auctioneer has determined that he has overlooked a party still bidding on the lot, but before the calling of the next lot;
    (e) At the discretion of the auctioneer.

21. In the event of a dispute, the auctioneer's decision is final.

22. Persons placing bids are responsible for meeting the maximum amounts represented on their bid sheets. JHA reserves the right to reject frivolous complaints and to take appropriate action against such bidders as defined in Conditions 4 and 11.

23. Floor bidders may not return any lots, including those purchased while acting as agents. Those persons bidding on the floor are deemed to have inspected the lots and satisfied themselves as to the lot's authenticity, description and condition. No exceptions will be made.

24. All claims for adjustments by non-floor bidders, for reasons of non-authenticity must be made within 5 days of receipt of the goods, but in no case later than 28 days after a sale, as JHA acts as an agent for various consignors.

25. NO CLAIMS OF ANY KIND will be considered after settlements have beenmade. Failure of the bidder to execute this privilege within the 28 day time period, either from a failure to pay promptly or any other cause shall void the privilege. This privilege applies solely to the original purchaser and does not extend or transfer to any third party whatsoever. Any returned lot must be received in the condition it was sent out. Numismatic items must be returned in the original holder with the seal intact. Capricious returns will not be accepted.

26. If we are notified prior to the expiration of the 28 day period that the authenticity of a lot is in question, the matter will remain open until such time that the lot in question is proven to be non-authentic to our reasonable opinion. Buyers shall be required to submit generally accepted references in support of their position. The buyer agrees that any claim shall be limited to the "hammer price" and the "buyer's premium" actually paid to JHA with regard to that lot. The buyer further agrees that the dispute may, at the sole discretion of the auctioneer, be submitted to a third party expert of the auctioneer's choosing, whose decision shall be final.

27. No price adjustments will be made to the hammer price of a lot whether there is an authenticity question about the whole lot or any one item within the lot. The entire lot must be returned if a refund is to be made.

28. Third party graded coins including but not limited to ICCS, PCGS and NCG cannot be returned for grading disagreement. They are sold as is. Any discrepancies in the grade should be taken up with the appropriate grading company.

29. Terms for this sale are strictly cash and must be paid promptly in Canadian funds. Payments should be made immediately on receipt of the invoice. Payments from foreign accounts must be made in the form of a Canadian Dollar Bank Draft.

30. As a convenience, invoices may be charged to Visa and MasterCard accounts. Please supply account number, signature and expiration date at the bottom of your bid sheet. Please note that there will be an additional service charge of 2% for using a credit card.

31. A monthly interest charge of 1.5% is charged on all accounts 30 days past due, calculated from the date of the sale. Late payers should not expect to receive future catalogues.

32. The same protection applicable to Jeffrey Hoare Auctions, Inc., applies and extends to each and every one of their officers, employees and consultants, unless they shall be convicted of knowingly selling false or stolen goods in connection with lots offered at auction.

33. In the event of unsuccessful litigation the plaintiff shall pay all JHA's legal costs, and all other costs incurred by JHA in defense against such suit.

34. JHA assumes no liability for merchandise lost, stolen or damaged while in the possession of a party to whom merchandise has been shipped. The purchaser is solely responsible for the safekeeping and insurance of any items in their possession.

35. BIDDING IN THIS AUCTION SALE CONSTITUTES FULL ACCEPTANCE BY THE BIDDER OF ALL THE FOREGOING CONDITIONS OF BUSINESS.
